

Allied Member Renewal Requirements

BOMA Nashville is committed to ensuring that all members are active in the association for the benefit of the members and the association. Membership participation keeps the association strong, and experience has shown that if you do not participate, you will not realize the benefits of being a member. Numerous examples can be cited that conclusively prove that Allied participation is the key to success within BOMA. To ensure our Allied members are successful, these renewal requirements have been put in place.

The Board of Directors requires each Allied Member to meet three out of the following five criteria to be eligible to renew membership for the following year:

- 1) Personally attend at least four (4) of the combined total of the BOMA luncheons and Allied meetings held for the fiscal year.**
- 2) Provide a minimum \$500.00 financial sponsorship to one or more of the following BOMA activities – golf tournament, luncheons, seminars/educational offerings, engineer lunch and learns, emerging professional events, socials/mixers, etc.**
- 3) Actively volunteer and participate on the Board of Directors, a Committee or project, including donation of time, labor, funds and/or materials for projects (donations of materials/funds must equal a minimum of \$250).**
- 4) Bring two (2) eligible Principal member candidates (i.e. property/facility/assistant managers) to a BOMA membership luncheon. Managers from commercial, industrial, medical, retail, and state, federal, county, city entities are all eligible membership candidates.**
- 5) Purchase a booth at the Allied Trade Show.**

Not all of the criteria involve financial sponsorship; the Board wants to recognize contributions of time as well as those of money. The important key is participation! Please note that it will be your full responsibility to sign in at all events in order to receive credit for attendance. Failure to do so will result in the non-renewal of your membership if you do not meet 3 of the 5 objectives.

Prior to sending dues renewal statements, the BOMA Allied board representative will review the current year's Allied Member status as to achieving these criteria and report those not in compliance to the Board of Directors as well as notify each Allied of their standing within BOMA.

We encourage everyone to join committees, attend events and participate. Remember, BOMA is a marathon, not a sprint. It takes time to build up a customer base, and the only way to do that is to truly be a part of the BOMA Nashville family.
